## The Maritime Standard Tanker Conference 2018

**Dubai - Oct 16, 2018:** <p>The third <a href="http://www.tcfnewswire.net/en/company/flagship-events-middle-east-and-africa">Maritime Standard Tanker Conference</a> will be held on 16th October 2018 at Atlantis, the Palm, Dubai.</p>

<p>Attendees will include key decision makers and opinion formers who were able to discuss the challenges and opportunities that exist, not just for ship owners and operators active in the tanker markets, but those delivering products and services to this sector. The second TMS Tanker Conference took place on 24th October 2017 at the Grosvenor House Hotel, Dubai. Presentations were given by many of the region's leading tanker owners and operators, as well as experts in related fields</p>
