About Hamdan Bin Mohammed Smart University (HBMSU):

About Hamdan Bin Mohammed Smart University (HBMSU)

Under the presidency of HH Sheikh Hamdan Bin Mohammed Bin Rashid Al Maktoum, the Crown Prince of Dubai, U.A.E, Hamdan Bin Mohammed Smart University (HBMSU) is committed to instigating a culture of quality, excellence and research through e-learning in the Arab world, with emphasis in the academic disciplines of business, quality management, education, healthcare and environment. HBMSU enjoys international credibility and recognition with its academic and professional programs not only being demand-driven, but also customized to meet the growing needs of businesses in the UAE and indeed elsewhere in the Arab world.

The university currently offers a number of academic programs through its three e-schools: e-School of Business and Quality Management, e-School of Health and Environmental Studies and School of e-Education.

The Hamdan Bin Mohammed Smart University is the first online institution in the United Arab Emirates to be licensed and to receive accreditation for its programs by the Ministry of Higher Education and Scientific Research in the UAE. Also the university has gained the support and the approval of the International Academy for Quality (IAQ) on its efforts to spread the quality message in the Arab World.
